### *Part VII. Project Ideas*

1. Construct a chart which shows the Holy Spirit's life-giving and life-preserving gifts in common grace and saving grace; use a collage of pictures when displaying His physical, moral, societal, and restraining blessings.
2. Draw a poster displaying man's four possible relationships to God's grace. Locate several texts which describe man's condition in each of these relationships and include them on your poster.
3. Design a chart with three headings: The Unregenerated Non-Church Attender, The Unregenerated Church Attender, and The Regenerated Church Attender. List which benefits of God's common and saving grace touch each type of person.
4. List as many invitations and promises from Scripture's gospel callings as you can find and group these on a large poster.
5. Research how the denial of the Holy Spirit's internal, irresistible, saving call denies all five points of Calvinism. Write a paper explaining how each point is contradicted.
