

CHAPTER 18

Part II. Deepening Your Insight

1. Explain how good laws and upright authority do not rob a society from, but safeguards, its basic freedoms. _____

2. Why must our views derived from personal, societal, and creational law be based upon biblical law? _____

3. Describe how Israel's theocratic civil laws are ended, but yet retain an abiding use. _____

4. How is willing obedience to God's law an evidence of true love to the Lord? Why are the two inseparable? _____

5. Is God's law a revelation of His Covenant of *Works* or Covenant of *Grace*? _____
Prove your answer from Scripture. _____

6. a. How does *anarchism* deny God? _____

b. How does *dispensationalism* falsely divide God's Word and plan of salvation? _____
c. How does *antinomianism* dismiss the role of the law in the lives of believers? _____
d. How does *perfectionism* ignore the truth of the remaining old nature in the hearts of believers? _____
e. How does *legalism* produce opposite fruits from the scriptural teaching of God's law? _____
